

The Ronald G. Browne STEM Scholarship

As we announced in the 2020 Newsletter, one of our Hall of Fame members, Kate Belinski, wanted to honor the memory of Ron Browne, her beloved science teacher at Southern. After consulting with Kate, we decided that a scholarship related to science would be a fitting tribute to Mr. Browne. She has committed \$1000 each year for a period of five (5) years toward the “**Ronald G. Browne STEM Scholarship**”, which will be awarded to an RHS graduate who attended Southern. We are truly thankful to Kate for her generosity, and for honoring the life of such a distinguished teacher!

We proudly announce our recipients of the Ronald G. Browne STEM Scholarship:

2020: **Maya Eshbach**, pursuing a degree in Biology at Temple University.

2021: TBA _____

2022: TBA _____

2023: TBA _____
